

M. D. BOW ALLEY MEETING

Minutes of Meeting of the Council of the Municipal District of Bow Valley No. 40, held in the Municipal Office, Strathmore, Tuesday, February 12th, 1946, commencing at 11 a.m. with Reeve James Harwood, Deputy Reeve J. A. McArthur, most Councillors J. M. Wheatley and Emory Jackson present.

By-laws No. 52 and 53 were received from the Dept. of Municipal Affairs duly approved by the Minister on January 28th, 1946.

Moved by Councillor McArthur that By-Law No. 53 be given a third reading. By-law No. 52 was read a third time and the reading carried.

Councillor Wheatley moved that subject to an adjustment for change of generator and the purchase of a truck, that the Union Tractor Equipment Co. Ltd. bill for \$1,785.00 for new D4 and attachments and T Tractor be paid. The used D4 tractor together with used W4 Athey Mohlander, now in Calgary, shall be turned over to the Company who will give credit on the former machine. Carried.

Councillor Jackson moved that we give By-law No. 54 a third reading. By-law No. 51 was read a third time and the reading carried.

J. M. Wheatley moved that we give By-law No. 55 a third reading. The reading carried.

Moved by Councillor Wheatley that Mr. L. C. Van Tighem be thanked for his kindly attitude towards this Council regarding a positive and helpful and that this Council's congratulations be forwarded to Mr. Van Tighem on his taking over the duties of the Municipal District of Highway No. 31 upon his discharge from the Canadian Army, a position he is so well qualified to fill. Carried.

Councillor Jackson moved that the accounts and payables as O. K'd by the Finance Committee be passed and ordered paid. Carried.

Moved by Councillor Wheatley that the Monthly Cash Statement for January 1946 be accepted and recorded in these minutes. Carried.

By-law No. 57 concerning sale of Lots 1 to 5, inclusive, Block 14E, Plan Gleichen 6753 A.D. to Mrs. Ethel Ethelridge of Gleichen, Alberta, for \$25.00 cash. (Recorded Lot 249) was given a first and second reading on motions of McArthur and Jackson.

The Strathmore Standard was to be requested to publish Dr. Louthermilk's address delivered at the Alberta Association of Municipal Districts Convention.

J. M. Wheatley moved that an extension of time until January 23rd, 1946 be given Mrs. Mary Peterson of Nakama to pay the 1945 Taxes and the 1945 Tax Consolidation Installments on the N.Y. and S.E. 25-29-24th. Carried.

E. Jackson moved in view of the Dept. of Municipal Affairs advising that it has been recommended that legislation be given effect to provide for mutual representation to both District Council Meetings and School Divisional Board Meetings of Councillors and Trustees, respectively, without the privilege of voting that Messrs. Wheatley and McArthur be appointed to cooperate with the trustees of Bow Valley School Division No. 43 and Messrs. Harwood and Jackson to cooperate with the trustees of Wheatland School Division No. 40, and that the School Divisions in question be written and asked to mutually cooperate so that the difficult problem of financing school divisions can be discussed together. Carried.

A representative of the Western Steel Products Corporation was present and he gave prices on several types of road signs. He left his samples with the understanding that they could be tested. Councillor McArthur would make a test in his division.

PROPOSED HOSPITAL DISTRICT

This Council and the Secretary-Treasurer would attend the meeting tomorrow Wednesday. The Committee were engaged in gathering together statistics and information covering hospitals and hospital business and while some preliminary information was given out, it was far from complete. Unfortunately this information had become public and the press had

made erroneous statements. The Committee would however prepare the facts and make them public as soon as feasible.

It was arranged that an Agricultural Service Board Meeting would be called for Monday at 10:30, February 25th, 1946.

Reeve Harwood moved that we get a non-battery type generator for our new D4 and retain lights. The battery type generator and battery to be returned. Carried.

Councillor Jackson moved that this whole Council be a Committee to investigate the purchase of a snow plow for another year. Carried.

We approve the granting of a license to Robert G. Lennox of Carlsland to operate a car and machinery agency to sell accessories and open a repair shop in respect to premises situated on Lots 23, 24 & 25, Block 3, Plan Carlsland 4610 A. V. Carried.

HEALTH CLINIC
Innoculation Clinic at Nightingale at the School at 2:00 p.m. on March 4. Parents and Pre-School Children are invited to attend.
Carlsland on Friday, March 8 in the School, from 2:00 to 4:30.

LIONS CLUB MEETING

MOVIES INTEREST LIONS

At the regular meeting of the Lions Club held last Friday in the dining room of the Memorial Hall, the membership was much depleted by attendance at the hockey game in Calgary. An excellent dinner was served by Lions T. S. Hughes, R. J. Milligan and J. Crellin, and attended to by the gathering with dispatch.

Much discussion, mostly on matters of regular business, followed dinner. Some discussion on the swimming pool produced the fact that the contract for building the pool had been awarded Burns and Dutton of Calgary and that work would proceed as soon as possible. A letter from the contractor answering and affirming the contract mentioned that the Club had been fortunate in timing their order — they had secured the last bit of steel in Calgary necessary for reinforcing the concrete, and had also been able to obtain about a third of a ton from Edmonton.

It was decided that the next meeting will take the form of a father and son meeting, and it is hoped to arrange a programme of movies which should be interesting to all, for that evening.

Showing of two reels of film, promised considerable interest and was received very favorably by the group. The first deal with the highest city in the world, La Paz, of Brazil, while the second covered Venice, together with its glass blowing industry.

COMING EVENTS

A Whist and Bridge Drive and Dance will be held in the Bow Valley School on Wed. March 6th, sponsored by Berry Vale W. L. Admission 25c Good Prizes. Ladies please bring lunch.

The annual community supper will be held at the Nightingale hall Friday, March 15th. After supper there will be a program followed by dancing. Adults 50c children from 6-14 25c. Proceeds will benefit hall funds.

A St. Patrick's Tea will be held by the St. Michaels W. A. on Saturday, March 16th, at 8 o'clock in the Parish Hall.

Annual Bean Supper and Dance in the Nakama Community Hall on Friday, March 8th. Supper commencing sharp at 6. Everybody come and have a good time.

Bridge Party in the Cheadle Hall Wednesday, March 6th, at 8:30 p.m. Everybody welcome.

Wheatland S. D. No. 40 Hold Regular Meeting

The Board of Trustees of the Wheatland School Division No. 40 held their regular monthly meeting on Friday, February 23rd, at 8:00 p.m. Burns, of Three Hills, continues to act as Chairman and F. A. Campbell, of Belcher, as Vice Chairman for the ensuing year. Mr. D. S. Brook has replaced Mr. L. O. Wheeler as trustee for Sub-Division No. 1.

The Budget for 1946 was adopted and provides for additional dormitory accommodation at Kathryn, additional classroom accommodation at Strathmore and Rosebud and other major improvements, providing material and labor are available for construction.

Commencing April 1st, school hours for rural schools were set as follows:
Open 8:00 a.m.
Morning Recess 10:30 to 10:45 a.m.
Noon Hour 12:00 to 1:00 p.m.
Afternoon Recess 2:15 to 2:30 p.m.
Dismiss 3:30 p.m.

Town schools will continue to operate as at present.

PROMINENT CITIZEN OF STANDARD PASSES

Following a long fight with asthma, Henry William Larsen of Standard, passed away suddenly at his home, Wednesday, February 20, at the age of 63. Mr. Larsen had suffered from this malady for several years.

Mr. Larsen was an active and respected citizen in the community, where he had many interests. He was Secretary of the School Board until his death. Justice of the Peace, Bible and Sunday School teacher for years. No job was too hard for him to lend a hand and no measure of progress in the community so small that he was not interested. The Church, the School Board, and organizations and the community generally will miss his willing hand and generous spirit.

He leaves to mourn a brother, John, and a sister, Amelia.

Services were held in the Nazareth Lutheran Church in Standard at 2:30 Friday afternoon with Rev. Rasmussen of Wayne and Rev. Jorgensen of Standard reading the ceremony. The well packed church together with the large number of floral tributes testified to the position held by the late Mr. Larsen among his friends and neighbors. Interment followed in the Standard Cemetery.

Pallbearers were Messrs. Walter Murtha, Anton Murtha, Mons Hansen, Andrew Hansen, Axel Larsen and Erhart Hansen.

POLICE COURT NEWS

LIQUOR OFFENCE BRINGS COUNT
Loreto Pelli, of Strathmore, came before Magistrate S. H. Croft on February 21st, charged with supplying intoxicants to Indians, contrary to the Indian Act, Sec. 173A. — as established that on February 19th, he had done so, and was sentenced to 60 days with hard labour at Lethbridge. An unfortunate sequel to this offence was that a neck broke out among a number of Indians, and a couple of them were hurt, while one young woman sustained a broken jaw.

Assault Charge
Charged by town police, Edsall Black appeared in court on February 21, and was found guilty of assault. He was fined \$20.00 and costs.

Masquerades as Soldier
Samuel Evan Knight appeared in police court on February 25 to answer charges of illegally appearing in a uniform when he had no right to do so. Charge was laid by Maurice L. Austin of Standard, a discharged serviceman, that Knight had stolen his United States Army Blouse, and wore it, complete with insignia. The balance of the uniform, Knight had obtained elsewhere. He was sentenced to two months with hard labour.

SANDY SMITH SUCCUMBS TO BURNS

Well known old timer in Strathmore Sandy Smith passed on in Calgary Wednesday at noon. He suffered severe burns about the face and hands when his home burned down and trapped him and his nephew, John Morrison, inside. Following treatment by Doctor Giffen, he was removed to Col. Belcher hospital in Calgary, and received treatment there until Wednesday.

Born in Leith, Scotland, Alexander W. Smith, he was seventy two years of age. He moved to this town in 1906 and had worked here since then, with a break for service in the Great War. A veteran also of the Boer War, Sandy was a strong supporter of the Canadian Legion, though an Imperial Vet himself. He was well known in the Legion, and his presence there was missed. He was also for many years an enthusiastic curler. In and about the town, Sandy was known and appreciated by old and young alike as "a guid Scotman," as he would have had it.

Surviving are his widow, in Philadelphia and five children, of whom one daughter is also in Philadelphia and one son in Yellowknife. In addition to his nephew, John Morrison, there is another nephew in Calgary.

Funeral services were here arranged by the Legion and will be held on Friday afternoon at two o'clock from St. Michael's church with Rev. D. A. Ford in charge. Interment will follow in the Soldier's plot in Strathmore Cemetery.

Pallbearers are J. Swanson, H. Smith, J. Sharp, Percy Wright, Dave Kermack and W. Gray of Calgary.

LAST RITES FOR JOSEPH REID

Funeral services were held on Saturday afternoon at 2 o'clock for the late Joseph Reid of Cheadle and Strathmore, who passed away at his home Tuesday night. Rev. S. R. Hunt officiated.

The late Mr. Reid was an early settler in the Cheadle area, and in the fall of 1944 moved to Strathmore where he has resided since. Death came following one of a number of strokes which he suffered.

Interment was in the Strathmore Cemetery. Pallbearers were H. B. Sevalin, R. Newmeyer, Bill Craig, Walter Miner, Ira Smith and Earl Lowery.

Fire Destroys Home

Fire razed the home of Sandy Smith and John Morrison in Strathmore last Friday evening, and seriously injured the two men, who were caught in the building. It is thought that the fire started when a gasoline lamp in the house exploded, causing flaming gasoline to be thrown around the room and cause fire in several places simultaneously.

In their efforts to stamp out the fire, and to escape themselves, Sandy Smith, well-known Imperial veteran of the Great War, and his nephew John Morrison another veteran of the first Great War, were seriously burned themselves. Before being able to escape the building, they were trapped by both doors which were burning.

Mr. Ed Godfrey heard their screams for help and rendered assistance. The fire brigade also turned out very quickly, but were unable to prevent the building being a complete loss. Spread of fire, which was considered a possibility, was however averted by the brigade's efforts.

Both men were removed to Col. Belcher hospital in Calgary by Mr. Howard Galbraith, and admitted immediately for treatment.

CARSLAND

Mr. Roy Van Loon has made arrangements to run a movie in the Carlsland Hall weekly. Showings will be on Tuesday evenings at 8:00 p.m. Since a movie theatre has been needed here for some time it is hoped that residents here will give sufficient support to Mr. Van Loon to enable him to continue this enterprise.

Rev. Sleber left Sunday to spend several days in Edmonton. Mrs. Cole is visiting her daughter and son-in-law, Mr. and Mrs. Kher, in Vulcan.

The P. B. Club will meet at the home of Mrs. Garnett on March 6th. Mr. and Mrs. Pete Volpert are spending several weeks with Mr. and Mrs. Jack Groves.

JUNIOR SEED FAIR

Four Good Watches, Generous Cash Awards—Special Prizes

The Alberta Department of Agriculture announces its fourth Provincial Junior Seed Fair to be held at the School of Agriculture at Olds, on March 15, 1946. Under the Regulations only one quart of grain is required for an exhibit so that the preparation of the sample need not be an endurance contest, but rather a contest in skill. Any farm boy or girl with a fairly good sample of grain may prepare a one quart exhibit with a reasonable amount of effort. Prizes are offered for Wheat, Oats, Barley and Flax and are provided jointly by the Provincial and Federal Departments of Agriculture.

All farm young people from the ages of 12 to 22 (inclusive), are eligible whether or not they have participated in Junior Club work. Special prizes are offered to new exhibitors.

ANNOUNCEMENT

The District Conference of the Alberta Women's Institute will be held at Lethbridge on the 13th and 14th, of March.

C.G.I.T. PRESENT MUSICAL EVENING

"One of the Singing Stars of Tomorrow, who will be heard from Toronto, Sunday, March 3rd, on the York Knitting Mills Programme. Jean Patterson, will present a recital in the United Church, March 16. She will be assisted by Mary Gussella, vocalist. Florence Gillespie will act as accompanist. Both artists are Calgary Women's Musical Club Scholarship winners this year. Miss Patterson hopes to continue her musical studies next year at the Royal Academy in London from which she has won a scholarship.

For 170,000 Canadian boys and girls, and their parents and friends too, the week of February 17th, and 23rd, had a special interest. It was Boy Scout Girl Guide Week in Canada. The observance of this week was not an appeal for funds, but a week dedicated to the purpose of telling the public how these Movements came into being and why they seek to serve boys and girls, and why in less than forty years they have spread to every part of the world, embracing within their fellowship millions of young people of every race, colour and creed.

When Lord Baden-Powell first introduced Scouting in Great Britain in 1908, little did he think that the ideals of a happy useful life suggested by his programme, would within a decade be adopted in nearly fifty foreign countries, in addition to more than forty parts of the British Empire. It is unlikely too that he realized that he realized that his programme would sweep across all barriers of race, and colour and creed.

Therein lies much of the greatness and influence of the Boy Scout and Girl Guide Movements. The sound training for good citizenship they provide is well recognized. The contribution they make towards solving the juvenile delinquency problem is widely known. That boys and girls who

have had Scout and Guide training, almost invariably become upright citizens is generally accepted.

But it is in the international field that these movements make their most important contribution. Scouts and Guides correspond, and hike and camp with their fellows of other lands. They learn their ways of life, their habits, their hobbies and their aspirations, and in doing so, come to understand their distinctive cultures and their right to retain them. This understanding, growing up between the youth of many nations, is a broadening step towards the day when there will be true international tolerance and mutual understanding.

Next year, just outside Paris, France, some 50,000 Boy Scouts will gather at their first post-war international jamboree. They will come from practically every country in the world. They will come from allied and neutral lands, and from some former enemy lands where Scouting has been re-established. They will camp together, live together, fraternize together. They will return later to their respective countries with a new vision of the possibilities of international co-operation. They will have friends enrolling the globe.

In France this year there will be a

world conference of the Girl Guide Movement, and here again will be laid foundations of understanding and goodwill among representatives of scores of nations.

It was always a vision of the founder of the Scout and Guide Movements, that they would play a part in the building of a world fellowship. It was a vision, perhaps impossible of accomplishment in less than 40 years, and yet no doubt it has played a part in laying the foundations, and will play an even greater part as the years unfold. The tremendous services rendered their countries by Scouts and Guides during the war and the splendid work they are now doing in the rehabilitation of the movements in the devastated countries is proof that the spirit is there and unbroken. What is needed is an expansion of that spirit and of their forward-looking world outlook, to an even wider circle of boys and girls, both in this country and throughout the world.

Lord Rowallan, Chief Scout of the Empire, who is to visit Canada this year recently expressed the belief "that Scouting and Guiding is one of the few hopes for a better understanding among the peoples of the world, for it is a common basis on which people of all countries and creeds can meet." If Boy Scout-Girl Guide Week did nothing more than to emphasize and spread abroad that youthful spirit of tolerance, fellowship and friendship, it would serve a purpose which would be felt around the world.

MUNICIPAL CONTROL TO BE CENTRALIZED?

Reprinted herewith is a letter recently received by the Municipality which is self-explanatory. We feel that our many municipal readers may be interested in seeing it. This letter has already been discussed by the Council of Bow Valley. To Secretary-Treasurer;

This is to advise that a Committee comprised of officials of the Departments of Education and Municipal Affairs has been appointed by the Provincial Government to investigate and bring in a report on the following matters:—

1. Mutual representation to both Municipal District Council Meetings and School Divisional Board Meetings of Councillors and trustees, respectively.
2. Co-terminous boundaries of Municipal Districts and School Divisions

resulting in a uniform mill rate within each Municipal District.

3. One Administrative body to administer the affairs of the Municipal District, School Division and Municipal Hospital District.

4. Uniform mill rate for school purposes over the whole Province in rural areas.

5. Reserves—should be provided for by the Taxing Authority or the School authority.

In connection with item 1 above it has already been recommended that legislation be given effect to provide for mutual representation at meetings, without the privilege of voting.

If your Municipal District desires to make any submissions to the Committee please forward your brief to the undersigned in care of Department of Municipal Affairs, Administration Building, Edmonton.

Yours truly,

Signed A. W. Morrison.

A. W. Morrison, Secretary, Joint Committee of the Departments of Education and Municipal Affairs.

RUSH FOR NYLONS

According to news notices across the Dominion, the great day for ladies

was expected to be Tuesday, February 19th., when all the stores were to blossom forth with nylon stockings, in all the sizes and shades that imagination holds dear.

However, insofar as the women of Strathmore and district are concerned their's was a bleak Tuesday according to all indications. A check of Strathmore stores reveal that they have no nylons in stock, and don't know when they can expect them. Assurances are given that they are not hiding any beneath the counter. . . if there were any there, they feel, they wouldn't keep.

The general stocking picture, however, is expected to loosen up sometime in the not too distant future, and then all women are expected to be happy, even if the store clerks do wonder if the war hasn't actually moved in on them.

The president of the U. S. A. sugar refineries association says that by early spring the worst of the sugar crisis should be over. Sugar now being loaded in Cuba and Puerto Rico should keep refineries supplied and by the end of the year rationing may be unnecessary.

MR. POULTRYMAN—KOME-GLO is the ideal drinking water medication for baby chicks, poults, and laying flocks. This product should be used daily in the drinking water of baby chicks for the first 7 to 10 days, then 3 or 4 times a week.

POULTRY MINERAL TABLETS—a companion product for KOME-GLO. Many poultry raisers are now using KOME-GLO 4 days a week and the Poultry MINERALS on the alternate days. With results that simply hardly the slight expense. This program will give the birds some resistance to low-grade infections, serve as a good body-builder and effect a more profitable utilization of the poultry rations.

A sentimental lady on a tour of the Oregon State campus stopped before a gigantic tree.

"O wonderful elm," she said, "if you could only speak, what would you say to me?" The forester accompanying her suggested, "It would probably say, 'Fardon me, but I'm an oak.'"

PULPWOOD SHIPMENTS

MONTREAL—A record shipment of pulpwood was handled by the Canadian National Railways last year, figures here indicate. In 1944, it required 88,494 CNR cars to transport 169,908,480 feet of pulpwood, while last

**We Pay For
Good Roads—
Let's Have Them!**

If you drive or maintain a car, or a truck, either for business or pleasure, you need no instruction on the value of good roads. You have experienced the delays and losses and expensive repairs occasioned by poor roads. Add to these the millions of dollars of lost tourist business that must be charged to Alberta's poor roads every year, and it becomes more urgent than ever that SOMETHING SHOULD BE DONE.

THE TIME FOR ACTION IS NOW! The money paid by motorists for licenses and gasoline taxes is sufficient to finance a comprehensive road building program—and the Alberta Government now has such a program before it, planned by the Department of Public Works. This plan should be put into effect without delay.

The Alberta Motor Association has never relaxed its pressure for the modern highway system this province needs. Add your voice to this demand by bringing it to the attention of your neighbors or any group or club to which you belong, and by pressing for action through your representatives in the provincial legislature. If you are a car-owner you might also like to join the A. M. A. Besides its championship of the rights of motorists it offers a host of valuable services that far outweigh the modest fee of \$10 a year. Full particulars on request from A. M. A. branches in Calgary, Edmonton, Lethbridge or Medicine Hat.—Advt.

year, 106,561 cars were needed to handle 205,365,120 feet.

The increased movement of this commodity over CNR lines indicates the record quantity produced in Canada last year. As in previous years, the large percentage of it was exported to the United States. During the first nine months of the year much of the pulpwood used in Canada went into the making of containers, cartons and packages for war materials and explosives.

Holes That Cost \$15,000,000

HOLES like those shown in this picture are in a part of a side of leather made from cattle hide. They are caused by warble grubs and mean a loss to Canada in hides and meat estimated at about \$15,000,000 yearly. Warble grubs can easily be

controlled by the application of a warble wash at a cost of as low as two cents per animal, says the Dominion Department of Agriculture. It will soon be time for farmers to begin applying the first of three applications of the wash.

**BERRY - VALE
WOMEN'S INSTITUTE**

The regular meeting was held at the home of Mrs. G. J. Godfrey on Thursday, February 21st, with seven members and one visitor present. The roll call was "Home Remedies for the Sick". Arrangements were made for a card party and dance to be held at Berta Vale School on Wed. March 6. (See Coming Events Notice). A gift and a card of thanks will be sent to Helen Way who was the Queen sponsored by our Institute for the recent Carnival. Several finished quilt blocks were handed in and new pieces given out. A very interesting paper entitled "A Diet for a Diabetic" was given by Mrs. Pearl Joel. Mrs. Godfrey donated a salt and pepper set to the Sick Committee. Tickets were sold at 3 for 25c, and the winner was Mrs. Joel. A delicious lunch was served by the hostess at the close of a busy afternoon.

Please note that the next meeting will be at the home of M. M. Moron on March 7th. Roll call, Current Events. Each lady that can crochets is asked to bring a three inch sample of a crocheted edge.

**DALEMEAD
O. V. V.**

Miss Marjory VanDer Velde has returned from a trip in the States.

Trudy has returned from California after spending the winter with Mr. and Mrs. N. Slack.

Mrs. Dyke, teacher of the Junior room of the Dalemead School, is in Calgary at present having her tonsils removed. Miss VanDerVelde is substituting for her.

Mrs. S. Pederson and baby daughter Marilyn Kay are home from the hospital and both are well.

Mrs. G. Barker and baby son Bobbie were visiting with her parents Mr. and Mrs. J. H. Dixon.

The U. F. W. A. met at Mrs. Clark's home last Wednesday. There was a small attendance on account of the roads. All business was attended to after which the delegates Mrs. W. Winter and Mrs. C. McKinnon gave splendid reports of the annual convention held in Calgary. Lunch was then served by Mrs. O. Hauswirth, Mrs. Ed Winter and Mrs. A. VanDerVelde. The meeting then adjourned.

The U. F. A. held their meeting at the J. H. Dixon home. General discussion on the resolutions that were passed at the convention took up the afternoon so they tabled the Delegate's report till the next meeting. The next meeting will be at the M. VanDerVelde home on March 4th at 8 p.m. We would like to see all the members present at this meeting.

Miss Nina Newton at the C. McKinnon home. A musical selection by Mrs. R. Cooner and a short humorous talk by Miss Nina after which little Miss Valerie Nelson and Master Laurence Nelson decorated wagon including a chest of silver. Miss Newton graciously thanked all present. A delicious lunch was served by Mrs. S. Novston and Mrs. Rae of Cheatemere Lake poured tea. All report a grand time.

Miss Edna Pederson spent several days in Calgary last week having her teeth fixed.

Little Barbara Chalmers has been very sick with pneumonia and spent the past week in the Calgary hospital but we are glad to report that she is doing fine and is home again.

Master Dale Cooner has been sick with Pneumonia and is in hospital at present. We hope he will be well again soon.

Little Miss Lorraine and Master John Kruse spent several days in the Holy Cross Hospital having their tonsils removed. We are glad to report that both are feeling much better.

Mr. H. Newton of Calgary spent last Saturday visiting with L. Kruse of Carleton.

Mrs. G. VanDerVelde is spending a few days in Calgary taking treatments. We hope you are better now Janet.

Mr. and Mrs. Wes Miller and Baby daughter and Mr. and Mrs. A. VanDerVelde spent Sunday visiting with Mr. and Mrs. J. Lau' of Crossfield.

BROADWAY ON WHEELS

Everyone knows the fame of Broadway . . . the Gay White Way. Lights up and down the length of it, make it as light as high noon even at night.

In a short time, with the spring season coming on our highways are going to become like that. More cars on the road, now that gasoline is unrestricted and tires are coming back into supply, and we hope, roads are going to be improved, will mean that our highways will also look like the White Way.

But there is a decided tendency a mong motorists to ignore their lights when passing other vehicles. Nothing can be more trying to a driver than to try to pass another car whose lights are blinding, and who won't dim them, or who doesn't dim them until he is ten to twenty yards away.

And too, nothing can be more dangerous, for there is a natural tendency to steer into the light, producing a crash, or in the effort to avert it, to steer into the ditch, which may be just as serious. And too, many cracks occur after the cars have passed, in that moment of temporary blind-

ness, when other things on the road cannot be seen.

We feel that a programme of courtesy on the road will do more to avert serious accidents than all the driving skill in the world. The former service men who are now driving are in most cases models . . . they had to be for too much depended on their ability. A great deal is still at stake on the highways. Let's all think of the other fellow and give him a break with those lights.

LETTERS FROM THE LEGISLATURE

Starting in this week's issue of The Standard, is the first of a series of letters written about happenings in the provincial capital. These letters will be appearing weekly, and are written with the local idea in mind, by our own member, Mr. George B. Bell. These letters, we feel sure, will appeal to our readers, and give them at first hand a picture of the happenings in our government. Mr. Bell is to be commended on his enterprise in assuming this task weekly, and it is certain that his many constituents will appreciate keeping in touch.

NO BIG CANADA?

Is a peak population of 15 million enough for Canada, asks The Financial Post editorially, in commenting on a recent survey of the Dominion Bureau of Statistics which indicated that maximum for Canada if present trends continue. Comments The Post. "Compared to some of the optimistic boasts made during our greatest expansion period, this maximum growth seems fantastically small. Those optimists, however, completely ignored three vital factors which were to check our increase materially after 1914. These were:

1. Heavy emigration to the United States.
2. Smaller Canadian families.
3. Sharp decline in immigration from Europe.

"Whether they were optimistic or not, the fact remains that the builders of this country had much more than a mere 15 millions population peak in

mind.

"Transportation, government, and general development was planned on a scale much greater than would be normally carried by a narrow strip of population along the northern edge of the United States.

"But unless we want to and do some thing about it then we must reconcile ourselves to a total growth little better than that already reached. There are some who argue that this is just an inevitable result of geography, climate and economics.

"But that means that those 15 million people who have to carry the overhead of a country more than half as large as Europe, that some day they may have to confront an overcrowded world that we have no room to spare. If we think 15 million people will not be sufficient to bear such a burden, then something must be done at once about those three factors which our fathers overlooked."

STANDARD

STANDARD GATHERING MARKS SILVER ANNIVERSARY

Mr. and Mrs. John Zelznik were the Guests of Honor at a party in the Community Hall at Standard on Wednesday, February 28th, it being their Silver Wedding Anniversary.

Mr. and Mrs. Zelznik, and the members of their family, were escorted to their places at the banquet table, to the Bridal March, music played by Mrs. C. P. Dahl.

The Hall was tastefully decorated with red, white and blue streamers, while silver streamers, red and blue candles, carnations and a three tier wedding cake beautified the head table. Well over two hundred friends of the honored guests were present at the banquet.

Mr. Dan McGowan was the very capable Chairman of the evening's festivities. Rev. M. Jorgensen said "Grace" and presided over the gathering. The Program was as follows: Civic Welcome, by Mayor Mons E. Hansen; Solo, Miss Marilyn Dahl; Congratulations, Remarks, Mr. F. D. Knowlton; Song, Mr. Eli Westergaard; Remarks, Mr. C. P. Dahl; Vocal Duet, Hilda and Carl Hansen; Remarks, Mrs. Johnny Jensen; Solo, Mr. Dan McGowan; Piano Solo, Miss Dorothy Austin; Address, Rev. M. Jorgensen.

Following this entertaining and interesting program, Mrs. F. D. Knowlton presented Mr. and Mrs. Zelznik with a handsome four piece tea and coffee service from friends in the community, and a beautiful silver serving tray suitably inscribed from their children Tom, Bill and Lillian.

Mr. and Mrs. Zelznik both expressed their gratitude to their many friends, their children, the Committee in charge of the arrangements for the party, and all those who had assisted in any way to make the evening so enjoyable and such a memorable occasion.

After an hour of elating and chatting the Hughes Orchestra arrived and dancing was enjoyed until the early morning hours.

Out of town visitors at the Zelznik home for the festivities were Mr. and Mrs. Tom Zelznik, Lemsford, Sask. Mr. and Mrs. Austin and daughter Dorothy, Walsh, Alberta, Mr. and Mrs. William Zelznik, Miss Grace and Miss Gladys Zelznik, Miss Kay McKinnon, Mr. and Mrs. G. Siska, Carleton Place, Ont., Mrs. A. Wilcox, Kamouraska, Sask., Mr. and Mrs. M. Wolke, Mr. Albert Brenski, Bartstow, Alta. Mr. and Mrs. R. A. Foster, Stobart, Alta.

DEATH CLAIMS

STANDARD PIONEER

The entire Community of Standard and its neighbors in Chancellor, Husar and Wayne were deeply shocked and very much saddened on Wednesday when it was learned that Mr. Henry William Larsen had passed away, very suddenly, in the early morning hours.

His death was caused by an attack of asthma.

Mr. Larsen, or Henry as he was known to everyone, was born in Elmira, Iowa, in 1883, and arrived in Standard to become one of its first settlers in 1910. He is survived by his brother, John, and one sister, Amelia, who reside in Standard.

Mr. Larsen had been a member of the Standard School Board since its formation, and Secretary-Treasurer of the Board during this time, when his faithful and efficient services brought him words of praise from other Members of the Board and District. He was also a member of the Nazareth Lutheran Church, heard and he was on the executive of the Cemetery Association. He had been Justice of the Peace for many years.

Henry was truly one of God's gentlemen—a man who really lived the Christian principles which he believed in so very earnestly. At his funeral on Friday, February 15th, the church at Standard was filled to overflowing with friends, who came from near and far to pay their last respects to their good friend; the funeral services were conducted jointly by Rev. M. Jorgensen and Rev. Rasmussen of Wayne. Mr. Dan McGowan and Mr. Mons E. Hansen were soloists. Many and beautiful were the floral tributes to Henry's memory. It will be long before another can be found who can take his place in the hearts of the residents of the Standard Community. Our deepest sympathy is extended to the bereaved sister and brother.

The pallbearers were Mons E. Hansen, Axel A. Larsen, Andy Hansen, Richard Jensen, Willie Myrhu and Anton Myrhu.

NOTICE
To Our
Customers

Effective Friday, March 1st, Keith A. Baldwin will take over this business.

Mr. Baldwin has been highly recommended and we have every confidence in his ability to render you a real service.

It is his intention to carry on as near as possible in the manner which we have in the past and any orders or commitments we have made will be taken care of in the usual way.

We greatly appreciate the generous support you have given us throughout the past 20 years and trust you will continue to favor the new owner with your valued patronage.

CROWFOOT

—By Mrs. J. S.—

Thursday afternoon of last week claimed Mrs. N. F. Nilsson as hostess at a very lovely tea, arranged in complement to her daughter Hillevi, prior to her departure for her home in Walla Walla, Wash., when her husband Lieut. Kramer Ruppe is at present stationed.

Mr. Saxe Ruppe left on Monday for Portland, Oregon, after a brief visit with friends in the Crowfoot District.

The Misses Kette and Greta Nilsson and Miss Norma Scheer spent the week-end at their respective homes.

Mr. and Mrs. S. G. Pallisen and Miss

Dorothy Mollanis were week-end guests of Mr. and Mrs. John Mollanis.

"We are pleased to learn that Mr. and Mrs. S. Swenson are thoroughly enjoying their extended holiday in Sunny California. They will be warmly welcomed by their many friends in the Crowfoot district when they return home in the spring.

The extent to which Canada will be able to contribute to world food supplies during the continuation of 1947 will depend to a large extent on the supply of farm labour during the next crop season. Hon. Humphrey Mitchell, minister of labor, says that there is a distinct possibility that the farm working force may be lower in the spring of 1946 than it was in 1945.

U. F. A. Central Co-operative Limited**- In The Legislature -**

By Geo. E. Bell, M. L. A.

The second week of the present Session shows the continuation of the debate on the Speech from the Throne with many members from both sides of the House taking part in the debate.

A bill is before the legislature to ratify certain agreements between the Dominion Government and the Alberta Government in connection with transferring of the Natural Resources. Three power sites on the Bow River are involved. When these agreements are ratified it will prove a source of revenue for the province.

Purple Gas Act May be Amended—
Another bill amending the Fuel Oil Tax Act. In the past any person using purple gasoline in a car has been guilty of an infraction to this Act and the punishment has been five and the 14 day impounding of the car. Magistrates have had no alternative but to impound cars of guilty persons for a period of not less than 14 days. This has proved to be too often a hardship and unfair to farmers who in emergency cases have used purple gasoline. The amendment will give the Magistrate the discretion as to whether the motor vehicle will be impounded or not. This will still permit ample punishment for those who are trying to beat the law and yet fairness to those who in emergency cases have found it necessary to use purple gasoline.

A change in the Limitations Actions Act, will enable a creditor to sue within the prescribed time or within two years of the death of the deceased, in case of claims against the deceased estate. It has happened before that a claim could be nearly outlawed at the time of the death of the deceased and delay in the appointment of the Executors or Administrators made the creditor too large to bring on action against the estate.

Hospitals Discussed

A number of changes are introduced in a bill to amend the Municipal Hospital Act.

It suggests that a vote for a hospital scheme shall be submitted at the same time and as part of the hospital scheme. Another suggested change will make it clear that a scheme or amended hospital scheme which has not received the approval of two-thirds of the voters may, with the Minister's approval, be resubmitted in its original or amended form, although less than a majority of the voters had voted in support of the original scheme. The Minister is given authority even after a favourable vote on the scheme has been taken to disestablish the district when the Local Municipal Hospital Board requests it. Power will be given to a Municipal Hospital Board to procure a hospital site even if the owner or the land declines to sell. The Board will offer compensation and if the owner is dissatisfied he will have 30 days in which to state the amount he claims for his land. If an agreement cannot be reached by the Board and the landowner, the matter will then be taken to arbitration.

An amendment to the Credit Union Act will enable Credit Unions to loan to and borrow from Co-operative Associations.

—By Mrs. J. M. W.—

Mr. H. Chamney and Harry were guests at a birthday dinner at the home of Mr. and Mrs. P. Larsen of Hussar on Wednesday.

Mr. L. V. Mann is spending a week in Calgary.

Mr. J. M. Wheatley is attending the P. F. R. A. meetings in Regina this week.

Mr. and Mrs. Robert Sproule are at Red Deer. Robert is taking a course at vocational training centre there.

Mr. and Mrs. H. Chamney entertained at dinner on Saturday evening after which cards were played and a very pleasant evening was enjoyed. The guests were Mr. and Mrs. N. I. Hansen, Mr. and Mrs. E. H. Young, Mr. and Mrs. G. C. Phillips, Mrs. Annie Phillips, Mrs. J. M. Wheatley and Mr. and Mrs. E. J. Macadam.

Mr. and Mrs. G. C. Phillips entertained at dinner on Monday, the occasion being Glen's birthday. There were 12 guests.

HUSSAR

—By M. C. B.—

At the first meeting of the new Council of the Village of Hussar, held on Friday, February 22nd., Mr. E. J. Bell, was re-elected Mayor for 1946; M. C. Bell was re-appointed Secretary; Treasurer; P. R. Larsen, was appointed head of the Public Works Committee, and S. W. Lawrie, was elected by acclamation as Councillor for the ensuing three years, was put in charge of all school affairs.

CLUNY

—By A. E. C.—

We are sorry to report that Mrs. Clarke suffered a very severe cut from a paring knife recently, and infection has set in. The affected part is the middle finger of the left hand, and it became serious enough that she had to go to Calgary earlier this week to have the finger amputated at the second joint. We are very sorry and hope that she will be with us again soon.

SIXTY NEW GOLD PROSPECTS

Nowhere else in the world today is gold mining history being made as it is in Canada, writes Gordon M. Grant mining editor of the Financial Post.

For these years, an unprecedented drilling boom, seeking out and exploring new gold mines, has been literally an "eight-hundred" of the mining world. And today, a shaft-sinking program, without counterpart elsewhere, is placing a further spotlight on the fascinating business of mining.

Pre-V-J predictions that 60 new shafts would be put down to open new mines are well on the way to fulfillment. Only limitations on manpower, supplies and equipment have prevented the great program from getting under way more quickly. Few meritorious projects, if any, have been un-

NAMAKA

By M. W.

The Ladies Aid Meeting at Mrs. L. R. Aitkens home last Thursday was the largest for some time. The devotional and Social periods were both along missionary lines and Rev. Hunt gave a short talk on the Crusade for Christ movement and gave out pamphlets on the same. A committee was appointed to order materials which will be made up for the Bazaar. Mrs. C. Mackie was hostess and served a delicious lunch. The next meeting will be at Mrs. Loy Wheeler's home.

There will be a roast beef supper in the community hall, on March the 8th. Proceeds go toward building a new hall.

Mrs. H. E. Johnson has as her guest this week her cousin, Mrs. Joe Shuvald of Maroon, Sask.

L. A. W. Lillian Taylor of No 10 R. D. Calgary spent the weekend with Mrs. Watts.

Mrs. and Mrs. P. A. Williams motored to Coaldale to spend the week end with Mr. Williams's Parents.

Cornie Williams has re-enlisted in the Air Force and left Sunday night for Winnipeg.

RURAL GLEICHEN

Mr. and Mrs. G. Moersch and Kenneth, and Mr. and Mrs. Dave Biglow and baby were dinner guests of Mr. and Mrs. L. Lilla a good Sunday.

A baby daughter was born to Mr. and Mrs. W. Blaney February 16th at the Bassano hospital.

Mrs. R. S. Haskayne is able to be up again after several days in bed with the flu.

Geo. Bell M. L. A. was home from Edmonton over the week end.

We are sorry to hear Mrs. H. Perry of Nordberg has undergone another operation. We hope this will prove successful, and she will soon be well.

Sarah and Anna MacMillen were home from Calgary over the week end. Sarah is in training at the general hospital and Anna is attending school.

Mr. and Mrs. F. Sammons and family attended the Calgary ice carnival one day last week.

Monday evening Mr. and Mrs. N. MacMillan had as their dinner guests Mr. and Mrs. Geo. Walker, Mrs. Edith Walker and Mr. and Mrs. K. Sammons.

Mr. and Mrs. G. Yule Jr. moved to the J. W. Hutchison farm last week.

Relatives expected Francis Davy to arrive in Calgary last Saturday evening.

Mr. and Mrs. R. P. Umbrite are home again after a month in California and a visit with their son John at Three Hills.

There was a very nice crowd at Meadowsbrook Hall for the dance Friday night. The Mandarin orchestra proved very good.

Five rinks of ladies went from Gleichen to Strathmore Wednesday last. They report a wonderful time.

Canvassing for funds for the Gleichen Memorial Recreational Centre will soon begin, and it is hoped it will meet with splendid success. The officers of the organization are Pres. J. A. McArthur, V. Pres. R. W. Brown, Sec. W. J. Pythian, Treas. R. S. McQueen, Directors: Geo. Bell M. L. A., M. Bolinger Sr., Wm. Blaney, Dan MacDonald, Vern Green, T. C. Brown, C. Hatton, Geo. Maclean, R. S. Haskayne, G. H. Gooderham, C. P. Evans and F. Sammons.

Mrs. Edith Walker, Mr. and Mrs. G. Walker and Mr. and Mrs. E. Holland motored to Rosedale Friday to visit Mr. and Mrs. Dick Crosgrove.

Mrs. Edith Walker entertained a number of friends Saturday evening in courtesy of her son and daughter-in-law who are visiting her.

Calgary, Alberta.

THE POSTWAR BACKLOG

According to a survey made by the Financial Post recently among dealers in lines such as radios, vacuum cleaners, washing machines, refrigerators, electric stoves and ironers . . . all sorts of appliances and other scarce goods; the postwar market that has been claimed to be gigantic is not likely to prove so.

The long lists of "priority" customers have been used when goods were available, and in the case of one big dealer in washing machines for example, showed that when customers were advised by telephone that their order could be filled, only 28 per cent took delivery. The remainder had already bought elsewhere or were not interested . . . or available.

Fisherman's Paradise

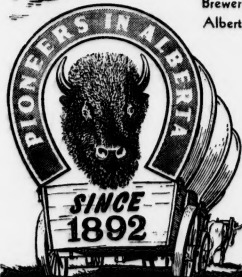

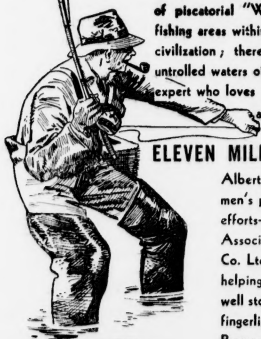

Alberta Streams abound in Fighting Fish...

Top-line fighters in their class... wily, aggressive, Cut-throat, Rainbow, Dolly Varden and Speckled trout... always hungry Lake trout, Whitefish, Pike and Pickerel... swim in Alberta's numerous lakes and streams. No matter where you live in Alberta, you're always close to waters well stocked with these big shots of piscatorial "Who's Who". There are countless fishing areas within quick reach of the comforts of civilization; there are any number of unwhipped, untrolled waters off the beaten path for the novice or expert who loves to rough it in the wilds, camping and fishing as he goes.

ELEVEN MILLION FISH...

Alberta's fortunate position as a sportsmen's paradise has been due largely to the efforts of Alberta's active Fish and Game Association. Calgary Brewing and Malting Co. Ltd. has played an important part in helping this organization to keep our waters well stocked. Already, over 11 MILLION fingerlings have been placed from the Brewery Hatchery and pools to help make Alberta the fisherman's paradise.

NIGHTINGALE

— By Mrs. F. H. —

The Nightingale W. I. held their regular meeting at the hall last Friday. A proverb or quotation was given in answer to the roll call. Plans were made for an oldtimers community supper to be held at the hall Friday March 15th. Mr. Milligan, local agriculturist will have charge of the program following the supper, and dancing will complete the evening. The proceeds of the evening will go to the hall funds. Mrs. Smith and Mrs. Hillon were lucky winners on two birthday draws. Several letters acknowledging cheer gifts were read. Mrs. Albert Mercer served a delicious tea at the close of the meeting.

There was a merry party at the hall last Friday when friends of Mr. and Mrs. Frank Bates (nee Doris Frederick) gathered to do them honor. Mr. Kinney and Mr. and Mrs. Harold Payne furnished music for the dance that went along with the usual pep. During the supper hour many useful and lovely gifts were spread on a table and Mr. C. R. Gladden made the presentation. He asked them to accept the gifts along with good wishes of the many friends. Both bride and groom expressed their thanks in very short speeches and all joined in singing "For They are Jolly Good Fellows" followed by a hearty tiger. The jolly time lasted until an early hour and all departed vowing it another very pleasant memory for our community.

Miss Myrtle Stoodley and Miss Elsie Larson of Calgary spent the week end at home.

Miss Doris Arpwood of Vancouver left this week after spending a few weeks at the home of Mr. and Mrs. Wm. Joel.

Mr. and Mrs. Litch and children visited with Mrs. Litch's mother Mrs. Frederick and they also enjoyed the party at the hall.

Kathleen Harriman also spent the week end at home.

Mr. and Mrs. Ted Thurston and young daughter paid a visit to relatives here.

George Chaple is a very happy man these days. He expects his wife and young daughter to arrive in Calgary early this week.

Some of our local men are doing a clean up job at the hall this week.

LANGDON

— By G. E. W. —

The Langdon Hockey Club has another win to their credit when they defeated Standard on February 19th. 3-3. Several carloads of fans left here with the team to give them some support. To those of us who couldn't attend we say "Three Cheers" and keep up the good work.

This coming Saturday March 2nd, weather permitting and the ice is still with us, The Langdon Ice Carnival will be held here in town. Miss Florence Johnston from Langdon is running for Queen. There will be a good time for everyone so come along to Langdon on Saturday March 2nd, at 2 o'clock sharp for a good time.

We understand from Mr. Alcock that Mrs. Alcock is resting comfortably after her very serious operation last week. Her friends and neighbors at Langdon are anxious to hear of her improvement, and hope for her a speedy recovery.

Mr. and Mrs. Jim Colwell (Jr.) and baby daughter Dawn, left over the week end for their new home in Calgary.

Mrs. Matul, was in Calgary for a few days last week.

Mrs. J. Vingle was in Calgary over the week end.

Mr. A. M. Watson has returned from hospital where he spent four days having his broken elbow set. He is resting quite comfortably considering everything.

Mrs. Frank Thomas is back in bed again suffering a severe attack of tonsillitis.

Don't forget Friday evening March 1, at Chestermere Lake it is amateur night and several entries from Langdon will be heard. This is one night when the children will do their best. Several entries from different parts of the district will take part, and this will be one evening well spent to those who are able to attend.

About thirty young folk gathered at the W. I. Hall on Saturday evening. Games and dancing were enjoyed and a delicious lunch was served. Mrs. A. Warrack was hostess for the evening.

Local News Items

Fred Teare has received his discharge from the army and is again working with the Fairly Transport.

It was the members of the Ladies Curling Club, not the Red Cross who served lunches at the recent Bonspiel and made such a gratifying sum to add to their treasury.

Mrs. T. S. Hughes name was inadvertently omitted from those who were present at the Musical evening given in honor of Major Leslie Hand at the home of Mrs. Florence Gillespie recently.

Mr. and Mrs. T. E. Wright entertained at a very delightful Dinner-bridge, Thursday evening last. Two tables were in play and a very happy evening enjoyed.

Mrs. Elborne who has been a guest at the home of Rev. and Mrs. Ford left for her home in Vancouver last Saturday.

Clarence Lyons has received his discharge and he with his wife spent a few days last week with his daughter Mrs. Janie Lyons, leaving later for Turner Valley.

Mrs. Grimshaw returned Sunday from the Holy Cross Hospital where she underwent a serious operation for rupture. She is convalescing at the home of her daughter Mrs. Lyons.

Mrs. N. P. Nilsson entertained a number of ladies at a delightful Tea last Thursday in honor of her daughter Mrs. Kramer Ruppe, who was home for a ten day visit.

Mrs. Ruppe and Mrs. Saxe Ruppe left Calgary by car Sunday for Walla Walla, Wash. where Mrs. Ruppe will rejoin her husband who has been taking a special course in Walla Walla.

Rev. and Mrs. C. W. Bryce and two small children of Stettler, arrived for a few days visit with Rev. and Mrs. Ford.

Rev. Stetler was a guest Sunday of Rev. and Mrs. Hunt.

The box of chocolates being raffled by the H. and S. A. was drawn for in the theatre last Saturday and the lucky winner was Ted Roberts.

We commend to our readers the letters starting in this week's issue from Geo. E. Bell, M. L. A.

Mrs. F. Thurston visited Edmonton friends during the week.

The Ladies of St. Michael's held a very pleasant Bridge in the Parish Hall Tuesday evening. Seven tables were in play resulting in Mrs. Jack Crellin and L. Hand winning high scores and Mrs. Mott and Miss Love winning consolation. Rev. and Mrs. Bryce of Stettler were out of town guests at the party.

Born to Mr. and Mrs. P. Siemens on Monday morning a baby boy. Both mother and son are doing well.

Mrs. Ted May arrived home recently from Calgary where she had spent a few days in the hospital.

Mrs. Alice Polley has been troubled the past few days with a very sore foot. X-rays were taken and showed a sore and inflamed condition.

Ronnie Hinchliffe was in town for a few days visiting old friends, and catching up on the chances of the past six years. He is expecting his wife to arrive from England one day soon.

Mrs. Rees Jackson arrived Wednesday evening from Spokane to spend a month with her father, Mr. B. F. Jones and family.

Wednesday, February 27th, at 2:00 p.m. was the occasion of a double baptism in St. Michael and All Angels Church. The children baptised were Alan Robert, son of Rev. and Mrs. C. W. Bryce of Stettler, and Michael Douglas, son of Rev. and Mrs. D. A. Ford of Stathmore. The Right Rev. H. R. Raze, Bishop of Calgary officiated at the service after which those present gathered at St. Michael's Rectory for a social hour with the Bishop.

John Fedewich, our shoemaker, has again been taken to hospital. We hope that this time will be his last, and John will soon be with us.

Address By Dr. W. G. Lowdermilk

At The 37th, Annual Convention
Alberta Association of Municipal
Districts, Palliser Hotel, Calgary, Alta,
November 21-23, 1945.

MR. PRESIDENT, LADIES AND
GENTLEMEN: MEMBERS OF THE
ALBERTA ASSOCIATION OF MUNICIPAL
DISTRICTS:

Last evening I tried to give you a picture of what has happened to a land through a long period of time, yet, when a farming population of about three hundred and fifty millions of people had been striving without the aid of science to correct what they saw going on about them.

Today I would like to give you some of our experiences in the United States. I think it is well for us of the public services of neighbouring nations who are standing shoulder to shoulder along three thousand miles of unguarded frontier, to take counsel together in matters of this kind, especially in these days of the atom bomb which holds so much peril and of good.

It is much easier for us to develop power and to increase the efficiency in industry, than it is to use our land effectively and continuously. Agriculture in that sense is in a difficult position and that is why in these times it is well for us to consider our land and what is happening to it, and how it can be best used and most fully used and yet to save its resources from year to year, and from generation to generation. As I mentioned last evening, the Chinese want to industrialize.

Land is the foundation on which we build our civilization.

Our two nations have entered a new continent and are jointly developing it. When we go back in the United States record and see what we have done, it strikes terror in one's mind to see what we had, and what we have done with it.

This is largely the result of power machinery. We suddenly had in our hands a new mastery, to rip up the earth and fell the forests as never had been done in the history of the human race. We exposed vast areas that had been protected by forests and grasslands, to the dash of rain and the blast of wind we had never happened before, and we set going a rate of soil wastage that has been really phenomenal.

There were prophets—even George Washington realized that gullies were damaging his land and tried to do something to stop them. There were also others who called attention to the fact that we were wasting our land but as the West opened up we ran away and left the problems unsolved.

and ran away to the West to pick up new lands and get rich quick. We had prophets who called our attention to this but we did not realize what was going on.

Then there was this feature. When we looked up our Economists records, there did not seem to be very much loss in the production per acre or in the income from the farms. Why? Because there were a number of factors that were hiding what was happening to the land. One was increased land values; secondly, increased use of fertilizers; third, increase in use of better crop plants. Our plant breeders have built up by selection and breeding and increased the crop capacity. Then, in the case of corn, we brought in the hybrid corn. These were stimulation that tended to obscure the records.

In 1879, before the use of hybrid corn, the average was 15 bushels to the acre. In 1942, after we had improved strains and used fertilizers, rotation of crops, and so on, the yield was 16 bushels per acre—only an increase of one bushel with all these stimulants. This meant that the land was depleting without our being fully aware of it. We did not begin to know what was happening until we

IN MEMORIAM

Of Dad who passed away February 28th, 1944:
You're not forgotten, father dear,
Nor ever shall you be;
As long as life and memory last
I shall remember thee.
Always remembered by his sons
Arthur, Bob, James Bigger.

IN MEMORIAM

Of my dear husband, who passed away February 29, 1944.
The depths of sorrow we cannot tell,
Of the loss of one we loved so well;
And while he sleeps a peaceful sleep
His memory we shall always keep.
Always remembered by his wife,
Maude Bigger.
